SPOT OVERVIEW

Duotone Pro Center Zanzibar is located on the east coast of Zanzibar with constant onshore winds with an average wind speed of around 15 knots and an average water and air temperature of 27 degrees. There are two prevailing trade winds the "Kaskazi", from the northeast between December and March and the "Kusi", from the southeast between July and September. The lagoon offers perfect conditions for beginners and advanced riders with shallow water. A sandbank creates pool-like conditions at low tide.

RECOMMENDED RESTAURANTS

Right at our kite spot, you will find "The Beach Lounge" with sunbeds, sunshades, a lovely bar, and a seafront restaurant. Here you can get breakfast, lunch, and dinner with grilled seafood and homemade pizzas and burgers. Less than a minute's walk away is Mvuvi Restaurant, an oceanfront restaurant serving Mediterranean-Swahili fusion cuisine.

RECOMMENDED ACCOMODATION

We recommend the Mvuvi Boutique Resort, which is right next to the kite school and has a private beach, a small spa, a small pool, and a beautiful private beach area for relaxing, and in-house chefs to satisfy all your senses for all meals of the day.

OTHER ACTIVITIES ON NO WIND DAYS

Zanzibar offers a wide range of activities, from snorkeling to diving, short 1-2 night or even day safaris in beautiful Tanzania, and plenty of half-day activities such as cruising on a traditional sailing boat to the reef in front of the kite center, visiting Prison Island and Nakupenda Sandbank, snorkeling with dolphins, visiting the endemic red colobus monkeys, visiting Stone Town the Unesco World Heritage and much more. Contact us for a full brochure with descriptions and prices.
